go for education and also some  
fun and frolic.*

*When the owls graduate, they fly  
highly, widely, and handsomely  
all over the world!  
But then, so did we all!*

## Your Alumni Association

The *Union County College Alumni Association* brings together graduates and former students with a common bond of affection and appreciation for the college that enriched their lives and gave them their start in higher education.

Alumni Association activities include guest lectures, special events, workshops, and bus trips to area attractions.

The **UCC Alumni Association** has a proud history of supporting the College. Part-time students benefit from Alumni Association Scholarships. The Alumni Association supports all UCC Foundation events. Alumni generously support the annual giving campaign, *Shaping Our Future*.

Excited by the vision of a vibrant two-year college with modern facilities to serve the growing needs of Union County residents, alumni formed the backbone of the Silver Anniversary Campaign in 1958 that raised the one million dollars needed to create the Cranford campus out of meadowland. UCC serves 37,000+ students each year.
